

Geography Quiz

Geography Quiz by LucaJ.

Installation

Important: Copy the project file in a directory in which the current user has write permission, or accessing the database file will not work and the program will crash.

Requirements

- Windows 7 / 8 / 10 (recommended)
- .NETFramework,Version=v4.6.1 or later
- Visual Studio 2017 (recommended)
- System.Data.SQLite package (install with NuGet recommended)

Installing Dependencies with NuGet inside Visual Studio

Check your NuGet Package Manager Version: Help > About Microsoft Visual Studio

Add all necessary dependencies through NuGet:

right-click on References: Manage NuGet Packages

Browse tab: search for 'Microsoft.Data.Sqlite' and install
